

DON'T BLOW OUT

THE CANDLES

This year marks the 60th anniversary of the Older Americans Act (OAA) — a landmark law that supports essential services like

- Home-delivered meals
- Transportation
- Caregiver support
- Health promotion programs

These programs help older adults live with dignity and independence. But they depend on strong federal funding.

We urge you to protect and fully fund the OAA.

I SUPPORT THE **OLDER** **AMERICANS ACT** BECAUSE...

Older Americans Act programs make a real difference in my life – this is my story. Please don't take these vital services away.
